

A Falls Prevention & Management Virtual Community of Practice

Embracing Change and Moving forward in 2022

Are you interested in:

- ❖ Leading your team in implementing *Preventing Falls and Reducing Injury from Falls* best practice guideline (BPG)?
- ❖ Supports toward meeting the falls prevention and management legislative requirements?
- ❖ Improving residents' quality of life by implementing Falls BPG?
- ❖ Building your team's capacity to implement best practices?

Join the falls prevention community of practice offered by the RNAO LTC Best Practices Program exclusive to LTC homes in Ontario

Sessions will take place on Thursdays from 2-3 pm ET

1	Sept. 8	Assessing current practices
2	Oct. 6	Planning for implementation
3	Nov. 10	Implementing practice change
4	Dec. 1	Evaluating and monitoring to sustain change

Who should attend?

- ❖ LTC leaders
- ❖ Interprofessional team

What is included?

- ❖ Facilitated interactive workshops
- ❖ Work together with LTCH's across the province
- ❖ Coaching by your LTC Best Practice Coordinator to:
 - Assess your LTC home's current policies, procedures and practices using a gap analysis
 - Develop and implement a falls prevention action plan
 - Plan for ongoing evaluation of falls prevention activities.
