# Welcome Opening Remarks

RNAO mourns the death of George Floyd and all those who have succumbed to anti-Black racism and violence.

RNAO stands together with sisters and brothers who continue to suffer the scourge of anti-Black racism and discrimination everywhere. RNAO unequivocally condemns racism, oppression and discrimination in all forms. In light of recent atrocities in the United States, Canada and around the world, we stand in solidarity with the loved ones of those who have suffered at the hands of law enforcement and those who experience gross inequities because of the colour of their skin.
