Question from last week	Answer/resources
<p>These outcomes (LTC sector) were measured in 1999 - better care with higher education - not new - Can we use that research from 20 years ago?</p>	<p>See RNAO <a href="#">press release</a>, June 5, 2020</p> <p>See <a href="#">report</a>, Long-Term Care Systemic Failings: Two Decades of Staffing and Funding Recommendations</p>
<p>How often do you think staff in LTC should be tested for covid to keep the residents safe?</p>	<p>See May 31 <a href="#">COVID-19 Testing for Long-Term Care Home Staff</a></p> <p>See COVID-19 <a href="#">Directive #3 for Long-Term Care Homes</a></p>
<p>What challenges do you see for nurses as being the greatest at this time and how can we help out our fellow nurses through the pandemic?</p>	<p>Read <a href="#">Doris' Blog</a></p> <p>Join COVID Facebook Groups</p> <ul style="list-style-type: none"> <li>-<a href="#">Peer-to Peer</a></li> <li>-<a href="#">Sharing &amp; Tackling Emerging Issues</a></li> </ul>
<p>Is there anywhere to find out the number of cases of COVID-19 on the internet for the different regions of the province? I hear about my local community through public health daily and recently about the GTA area but what about other regions?</p>	<p>See Public Health Ontario <a href="#">Data Tool</a></p>
