

Knowledge Exchange Symposium 2022

NPs Leveraging Leadership Through Crisis and Beyond

November 15, 2022, 9:00 a.m. - 4:30 p.m. (EST)

Virtual via ZOOM

Co-Chairs:

Doris Grinspun, RN, BScN, MSN, PhD, LLD(hon), Dr(hc), DHC, FAAN, O.Ont.
CEO, RNAO

Sally Baerg, NP-PHC, MSc, MScN, CHPCN(C)
Nurse Practitioner Interest Group (NPIG) Chair

Shannon Clausen, NP, BScN, MACP
Nurse Practitioner Interest Group (NPIG) Chair -Elect

Objectives:

- Showcase nurse practitioners (NP) as leaders locally and globally through the nursing and health care crisis and beyond
- Power NPs to influence practice and policy in advancing the quadruple aim within the context of the sustainable development goals
- Feature the value of NP research in demonstrating the critical roles of NPs in building a vibrant health system
- Mobilize innovative solutions to Ontario's health care crisis by incorporating opportunities and strategies to ensure NP supply, full utilization, and scope expansion
- Highlight collaboration among advance practice nurses to improve patient and family health outcomes
- Demonstrate the role of NPs in strengthening the underpinnings of primary care as the foundation for an effective health system
