

Interested in becoming a Best Practice Champion?

The Registered Nurses' Association of Ontario (RNAO) is offering the new

Best Practice Champions Blended Learning Series

The **Best Practice Champions Blended Learning Series** is a **FREE** online educational opportunity for health-care professionals and others who are passionate about evidence-based practice.

The updated curriculum draws from RNAO's [Leading Change Toolkit](#) and the NEW Best Practice Champions Competencies' Framework. You will be introduced to RNAO's Best Practice Guidelines and gain strategies for driving change in your workplace or academic setting. You'll also become part of a community of champions committed to driving positive change in health-care.

There are four parts to the learning series (90 minutes each): two e-modules and two interactive virtual live sessions. This series will guide you through three phases of change: planning for change, making change happen and sustaining change.

The content is designed to be completed in sequential order. We offer both of the live sessions on a monthly basis.

Upcoming live session dates for 2024

Part 2 (must complete Part 1 prior to attending)

Tuesday March 12, 10–11:30 a.m. ET

Thursday April 4, 10– 11:30 a.m. ET
