

Wishing you happy holidays and
thanking you for your service to the
province and our community.

Over the holidays, nurses across the province will be on the frontlines of the COVID-19 pandemic – just as they have been for the past 22 months. I hope you will give some thought to them over the holidays.

They are exhausted. They are burnt out.

*As we look forward to a new year, I hope
I can count on you to sign RNAO's pledge
to stand with nurses and call for the
repeal of Bill 124.*

It matters to me and it matters to your
constituents that you **#StandWithNurses**
through these difficult times.
