## Call for Resolutions

*Deadline: Monday, December 19, 2011  
at 1700 hours (5:00 p.m.)*

Do you want to shape nursing and health care? As a member of your professional association, you can put forward resolutions for ratification at RNAO's annual general meeting, which takes place on Friday, April 27, 2012. By submitting resolutions, you are giving RNAO a mandate to speak on behalf of all its members. It is important to bring forward the many pressing nursing, health and social issues that affect nurses' daily lives and the public we serve. RNAO members represent the many facets of nursing within the health system. You play a vital role in ensuring nurses' voices are heard, and in advancing healthy public policy across the province and elsewhere. RNAO encourages chapters, regions without chapters, interest groups and individual members to submit resolutions for ratification at the 2012 Annual General Meeting. Please send materials to Penny Lamanna, RNAO Board Affairs Coordinator, at [plamanna@rnao.org](mailto:plamanna@rnao.org).

### Important to note:

- the resolution must bear the signature(s) of an RNAO member(s) in good standing for 2012.
- a *maximum* one-page backgrounder must accompany each resolution. This one page is to INCLUDE references, and the font used must be no smaller than Arial 10 or Times New Roman 11. Margins on this one page must also be reasonable, e.g. an absolute minimum of 0.7" all around.
- all resolutions will be reviewed by the Provincial Resolutions Committee.

For clarity of purpose and precision in the wording of your resolution, we recommend that each resolution include no more than three 'Whereas'; and preferably only one, but never more than two, 'Therefore Be It Resolved.' Please refer to the following successful 2011 resolution for guidance: **WHEREAS** one in four people who become institutionalized in the health-care system develop pressure ulcers resulting in longer treatment times, higher system costs, increased length of hospital stay and decreased quality of life; and **WHEREAS** sector and geographical disparities exist in access to preventive and curative resources; and **WHEREAS** there is a current lack of consistency, accuracy and standardization in the staging of pressure ulcers that impacts the ability to communicate efficiently between members of the interdisciplinary team as well as across sectors and regions; **THEREFORE BE IT RESOLVED** that the RNAO advocate to the Ministry of Health and Long-Term Care for a comprehensive cross-sector interdisciplinary provincial wound care strategy, inclusive of sector-wide accountability for pressure ulcer prevention.
