* Sessions run in the afternoon 1 – 3:30 p.m. ET with optional networking opportunities and focused discussions from 3:30 – 4 p.m. ET.

Pre-learning activity:

We want you to get the most from the BPG Clinical Institute and leave each session with tangible next steps that you can apply right away to advance your change initiative. To prepare, clarify what change initiative or best practice guideline you want to focus your learning on over the five sessions. This way, you can apply all learning activities to this topic and leave with a preliminary action plan.
