What To Expect: Maternal Cannabis Use During Pregnancy and the Impacts on Offspring

Tuesday, June 16, 2015
11:00 a.m. – 12:00 p.m. (EST)

2 Speakers from Canadian Centre on Substance Abuse:
Amy Porath-Waller, Ph.D. Interim Director, Research and Policy &
Katie Fleming, MA Knowledge Broker

OBJECTIVES

1. To review the effects of prenatal cannabis exposure on the development and behavior of offspring;
2. To identify some of the implications of maternal cannabis use during pregnancy;
3. To discuss what healthcare providers can do with regards to prevention efforts and addressing maternal cannabis use with their patients;
4. To provide a brief summary of the research report: Licit and Illicit Drug Use during Pregnancy, as it relates to opioids.
