

TUESDAYS 1:00- 2:30ET
FEB. 27- APR. 3, 2018
HEALTHY WORK
ENVIRONMENT
WEBINAR SERIES

The Healthy Work Environment Webinar Series is a six-part webinar series focusing on various topics that incorporate theory, techniques and tools to assist nurse leaders and other healthcare professionals to focus and implement healthy work environment strategies through use of evidence based practices.

The agenda is built on three primary areas of focus (Leadership, Interprofessional practice, and Workplace Violence) and includes a dynamic curriculum of interactive learning activities, electronic materials, and networking opportunities.
