

Exciting RNAO BPSO Session taking place on June 1st at ICN 2017!

The Registered Nurses' Association of Ontario (RNAO) invites you to a special two-part session on RNAO's Best Practice Spotlight Organization® Designation (BPSO) during ICN 2017 to take place on **June 1st 2017** at the Centre Convencions Internacional de Barcelona in Barcelona, Spain.

The morning information session (0830 – 1145 hours) will highlight the key elements of RNAO's rigorous clinical best practice guidelines (BPG) development program and the multiple global strategies to support knowledge translation and foster uptake of RNAO BPGs the world over. Join us to learn about this unique and highly successful international movement and how you can become part of it.

The afternoon session (1200 – 1600 hours) provides current BPSOs (Pre-Designate and Designate) with a unique opportunity in knowledge exchange with one another and a strategic dialogue amongst all of us regarding your insights, experiences and future directions.

We invite you to join us for an energizing dialogue on advancing nursing and improving health and health care around the world!

Please register at no cost for either or both sessions:
