Dear Dr. Grinspun:

Thank you very much for your letter on behalf of the Registered Nurses' Association of Ontario (RNAO) regarding Bill 135, Ryan's Law (Ensuring Asthma Friendly Schools), 2013. It was a pleasure to hear from you.

I appreciate your sharing the views of the RNAO on this issue. My colleagues and I recognize that nurses are at the forefront of providing care and tending to the most vulnerable in our society. I want to assure you that the well-being of our students is of great importance to our government, and we will continue working to ensure that young people feel safe and secure in our schools.

I note that you have also sent a copy of your correspondence to my colleagues the Honourable Deb Matthews, Minister of Health and Long-Term Care, and the Honourable Liz Sandals, Minister of Education. I trust that they will give your concerns their consideration. As your correspondence would also interest my colleague the Honourable Teresa Piruzza, Minister of Children and Youth Services, I have sent a copy to her for her information.

Dr. Grinspun, thank you again for writing to me. I welcome your association's input on this or any other issue of provincial concern. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Wynne".

Kathleen Wynne  
Premier
