## Important questions to ask about PLP:

### Does the plan have a duty to defend?

Unlike legal assistance plans, which may be subject to discretionary coverage, the PLP offered by RNAO is a professional liability insurance product, wherein the insurer has the duty to defend the covered claim. When it comes to lawsuits, you want an insurance policy offered by RNAO, a trusted name for more than 90 years to give you the peace of mind.

### Does the plan satisfy the College of Nurses of Ontario's mandatory PLP requirement?

RNAO's PLP satisfies the CNO's mandatory PLP requirement.

### Does the plan cover what you do as an RN or NP?

The scope of coverage provided by RNAO's PLP insurance policy is for services which fall within the scope of practice of nursing for which the RN

or NP may be authorized, including and not limited to any instance where there is the use of nursing knowledge, judgment and skill. To be eligible for coverage, an RN or NP must be an RNAO member and must be registered to practise with the CNO at the time of the event(s) giving rise to the covered claim. The sooner you become an RNAO member, the sooner you are covered.

### Does the plan cover you outside of your workplace?

RNAO's PLP coverage is 24/7 for nursing services while on the job as well as emergency first aid outside of the workplace.
