Dear Ms. Grinspun and Ms. Burkoski:

Thank you for taking the time to send your letter and enclosures regarding voluntary blood donations and patients from foreign countries. I appreciate your kind word of congratulations.

My colleagues and I are committed to building a brighter future for all the people of Ontario. We understand that being fiscally responsible is fundamental to our future, and that building a fair and inclusive society is at the heart of a more prosperous Ontario. These are the principles that will guide us as we work with you, and all our partners, to make Ontario a better place to live, work and raise a family.

As the specific issues you raised would best be addressed by my colleague the Honourable Dr. Eric Hoskins, Minister of Health and Long-Term Care, I have sent a copy of your letter to him for a response.

Thank you again for writing. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Wynne".

Kathleen Wynne
Premier
